Re: Nominating Committee

Dear Sirs and Madam:

In accordance with the recently adopted by-laws of the Eastern Jackson County Bar Association I have appointed each of you as a member of the nominating committee for the selection of officers and directors for the upcoming year.

Under our by-laws the committee has the obligation of reporting a slate of officers and directors to the membership at the April meeting. Therefore it is my intention about the first of March to schedule a meeting of the nominating committee for purposes of selecting candidates for office in the upcoming year.

Page Two  
February 14, 1984

Would each of you please give some thought to this matter so that you will be in a position to participate in this decision at our upcoming meeting.

If any of you have vacations or other activities which would make you unavailable the last two weeks in March for a meeting, please advise me and I will attempt to schedule this meeting around existing conflicts so that we can have full participation.

I appreciate each of you consenting to serve on this committee.

Very truly yours,

J. D. WILLIAMSON, JR.

JDW/cb
